Thursday	9:30-5
Friday	2:00-8
Saturday	9:30-2

## Your Membership Matters

## Our History:

We were formed in 1986, shortly after the Library's creation, by a group of volunteers dedicated to promoting the value of quality library services in our community.

## Our Mission:

The Friends is a non-profit 501(c)(3) organization whose purpose is to supplement library services for special needs and programs, raise public awareness, promote the use of the library and advocate on behalf of the Library.

## What We Do:

The Friends raise funds primarily through year round book sales which are held at the library during library hours.

We also sell canvas tote bags with the Friends' logo on them. These attractive zippered totes are quite spacious and help patrons show their support of our library.

## What We Sponsor:

The Friends' activities provide funds for additional programs and services that are not otherwise paid for by the Library budget.

In recent years the Friends have contributed \$20,000 to the Library's Building and General Use Fund

We have also supported a variety of programs and library needs such as:

- A new book drop where you can now safely put ALL library items (including DVDs, CDs and audiobooks)
- New computer workstations throughout the library for both patron and staff use
- Glass enclosed display board by the library door
- Quarterly town-wide newsletters to inform the residents of LaGrange about happenings at our library
- High-Speed Color Copier
- Programming for all ages at the library
