
Download eBooks with OverDrive @ laglib.org

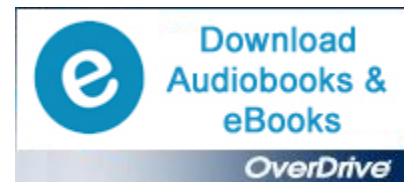

What do I need?

- A valid library card
- Internet access
- A computer or device that meets the system requirements for the eBooks you wish to check out. See the list at <http://www.overdrive.com/resources/drc/compatiblebookdevices.aspx>
- Free software Adobe® Digital Editions for the computer or device on which you wish to use the eBooks. *Note: After you have installed the software that you downloaded, you need to take steps to activate the software before downloading digital materials. **Adobe Digital Editions requires activation.** Adobe Digital Editions can be activated anonymously or by using an Adobe ID. Anonymous activation allows you to download and read DRM-protected eBooks on a single computer only. Activating using an Adobe ID allows you to download and read DRM-protected eBooks on multiple computers and transfer them to supported eBook devices.*

How does it work?

Step 1: Browse

1. Click the OverDrive button @ laglib.org
2. Search eBooks by title, subject, or author.

Step 2: Check Out

1. When you locate an eBook of interest, click *Add to Cart*.
* Note: If a title is not available, you may place a hold. You will receive an email when the title is available for checkout and you will have 3 days to do so.
2. Click *Proceed to Checkout* and enter your library card number and PIN. This PIN is the same as the PIN you use in your library account.
3. Once in your account you may set the loan period for either 7 or 14 days by clicking the *My Account* tab at the top of the screen.

Step 3: Download

1. Click *Download* to start the download.
2. Once the download is complete you may transfer the title(s) to your device through Adobe Digital Editions on your desktop.

- **Titles expire off your device at the end of the loan period**
- **3 Overdrive titles can be checked out & 3 Overdrive titles can be on hold at one time**
