
Download Audiobooks with OverDrive @ laglib.org

What do I need?

- An Internet-connected PC or Mac
- A valid library card, PIN in your library account and an email address
- OverDrive Media Console, free required software available when you check out your download

How does it work?

Step 1: Browse

1. Click the OverDrive button at www.laglib.org to see what's available.
2. Search by title, subject, author or format.

Step 2: Checkout

1. Add selections to your Cart *Note: If a title is not available, you may place a hold. You'll receive an email when the title is available for checkout.*
2. Click on the *Proceed to Checkout* link and enter your library card number.
3. Select 7 day or 14 day checkout and click *Confirm Checkout*.

Step 3: Download

1. Click the *Download* button under the title to launch the software
2. Select the parts to download, then click 'OK'

Titles automatically expire after 7 or 14 days

2 titles checked out & 2 titles on hold at once

Titles may be checked out again if they are not in demand

How do I transfer my checked out title to a portable device?

After downloading

1. Click the *Transfer* button in OverDrive Media Console to launch the Transfer Wizard
2. Select the parts you want to transfer

Click *Supported Portable Audio Devices* to see if yours is compatible.

Can I burn to a CD?

After downloading

1. Click the *Burn* button in OverDrive Media Console to launch the Burn Wizard
2. Select the parts you want to burn

If you have any questions or need assistance, please contact the Library at 452-3141.
The staff will be happy to help you. We want you to get the most out of this service!
