Director's Letter

"Bad libraries build collections. Good libraries build services. Great libraries build communities." At LaGrange Library, we are always striving for greatness. We look for partnerships to build within the community, in which to create a better quality of life for our citizens.

In October 2016, the Mid-Hudson Library System bestowed a Civics Engagement Award to the LaGrange Library in recognition of our community partnerships to better serve our citizens while utilizing taxpayer dollars efficiently.

Here are some of LaGrange Library's contributions to a better community:

- Offering Passport Acceptance Services at convenient times to accommodate working professionals and families.
- Partnering with Abilities First to offer employment and socialization opportunities.
- Offering Civics Flash Cards for the U.S. Citizenship test.
- Providing one-on-one assistance for downloading eBooks, audiobooks, and eMagazines.
- Offering museum passes to local venues.
- Partnering with LaGrange Parks & Recreation Department for movie screenings, storytime walks at Stringham Park, and to construct the Little Free Library at Freedom Park.
- Displaying the artwork of local Arlington School students.
- Hosting homeschool groups through our STEAM programming.
- Providing volunteer opportunities for local high school students.
- Working with the Poughkeepsie Farm Project and Field Goods to promote healthy eating options and local foods.
- Hosting health insurance navigator consultation sessions.
- Promoting the "Shop Local" campaign to support our local economy.
- Working with Dutchess County United Way to promote literacy and aid low income families during the holidays.

As I compose this letter, snow is still on the ground, but I know that our dedicated staff are busy creating engaging activities for our Summer Reading Program. LaGrange Library is constantly striving for greatness in our community. If you have partnership ideas, please contact me at spotwin@laglib.org. Let's build great communities...together.

Happy Reading!
